CRISS Annual Conference:

Thursday, October 7th, 2010

The morning session will offer a State CMS presentation on CCS program changes and updates, including the 1115 waiver and potential CCS pilots. Two panel presentations will follow the keynote presentation and focus on how budget driven program changes affect families and the community and the many creative partnerships in the community to address these changes. We are offering two afternoon breakout sessions– Creative Uses of Technology in the CCS Program and Standardized Testing in the MTP. *Please register for only one of the afternoon breakout sessions.*
