

Epilepsy and Seizure Disorders: A Resource Guide for Parents

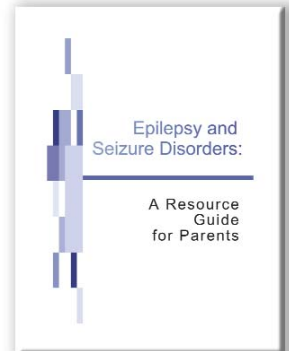

As a parent of a child with epilepsy, also referred to as seizure disorders, you face the additional challenge of learning as much as you can about your child's special needs. This Guide was written with you in mind, to give you some basic information including an introduction to epilepsy and seizure disorders.

Copies of Epilepsy and Seizure Disorders:

A Resource Guide for Parents is available for purchase in either English or Spanish, in color (\$10) or black and white (\$5), with either a check, money order, or credit card. The purchase price includes postage and shipping.

You may also download the guide at no cost from either www.epilepsyfoundation.org/norcal or www.php.com.
